EPIC Kids PRESENTS

EPIC ENGINEERS

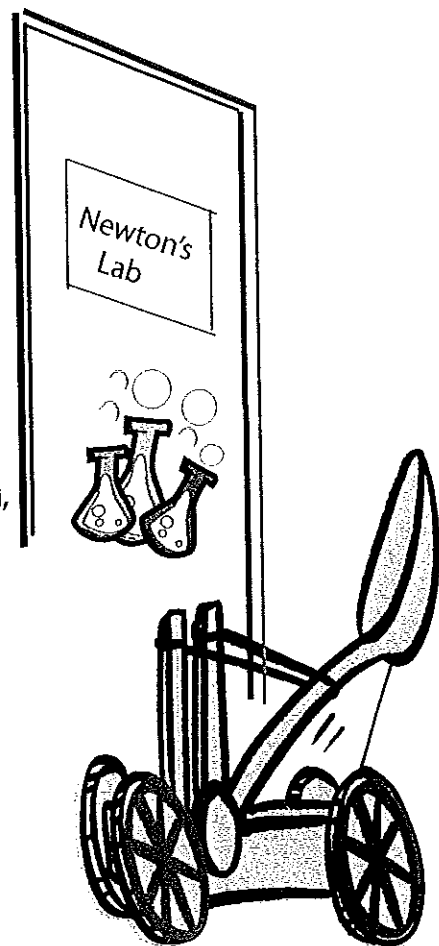

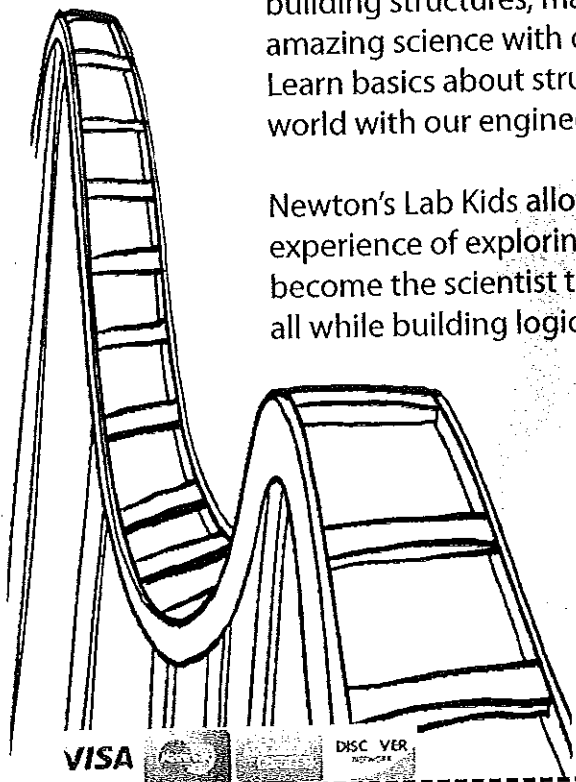

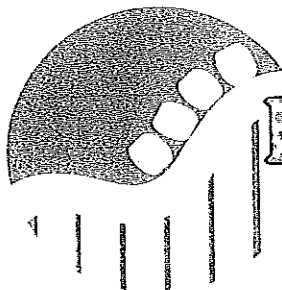

AT

St Joseph School

Explore your world through science with Newton's Lab EPIC Engineers science classes! Step into Newton's Lab to learn the basics about building structures, mazes, catapults, and other amazing science with our crazy exploration scientists! Learn basics about structural design and the physical world with our engineering fun!

Newton's Lab Kids allows students to have a hands-on experience of exploring the scientific method and become the scientist that they have dreamed of becoming, all while building logic and critical thinking skills.

Each lab has a testable hypothesis and an enriching hands-on experiment that students will never forget!

Thank you for sending in Box Tops.

For those who prefer to use a Box Tops collection sheet, please feel free to use the enclosed sheet. Strive to complete the sheet but if you fall short, that's OK too. We'll gladly accept all sheets, complete or incomplete. Or, simply collect loose Box Tops and send them in an envelope or small bag.

But most important, get those Box Tops to school! Let's continue turning in as many Box Tops as possible so that our spring submission can exceed our fall submission.

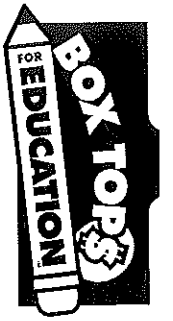

Did you know Box Tops can be found in the product aisle? Look for them the next time you're cooking up sides for dinner.

Brighter!

Thank you for helping! Clipped Box Tops are each worth 10¢ for your child's school. Bonus certificates should not be attached to this sheet - please submit them separately. Remember to check the expiration dates on your Box Tops! If they're expired, don't send them to school; expired Box Tops cannot be accepted.
